**[PROPOSED] ORDER GRANTING MOTION TO SEAL EXHIBITS TO D.E. 863  
SUPPORTING PLAINTIFFS' MOTION FOR PARTIAL SUMMARY JUDGMENT  
REGARDING FUTURE OFFSETS**

This matter comes before the Court with regard to the motion filed by Plaintiffs moving the Court to seal Plaintiffs' four attachments to Docket No. 863. These attachments consist of deposition transcripts with dates of birth that were inadvertently included without redaction. Federal Rule of Civil Procedure 5.2 permits only the year of an individual's birth, but not the month and day, to be filed publicly. Plaintiffs therefore ask this Court to seal the unredacted transcripts. Plaintiffs have attached to their motion to seal versions of these transcripts that redact only the month and day of birth of each deponent. Plaintiffs state that Defendant identified this issue and requested that Plaintiffs seek this relief.

Having considered the matter, the Court will hereby grant the Motion and hereby orders that the filed materials at Docket No. 863-1, 863-2, 863-3, and 863-4 shall be placed under seal until such time as a further Order may be entered in this regard. The Court further orders that the redacted versions of those exhibits, filed as Docket Nos. 866-1, 866-2, 866-3, and 866-4, shall serve as the publicly filed versions of the exhibits attached to Plaintiffs' Appendix to their Local Civil Rule 56.1 Statement of Material Facts (Docket No. 863) in support of their Motion for Partial Summary Judgment Regarding Future Offsets (Docket No. 860).

SO ORDERED. This \_\_\_\_\_ day of \_\_\_\_\_, 2026.
